I love... following tech & design news, tinkering with gadgets, watching Sci-fi, iPhonographing, and driving; the last one anytime, anywhere.

I can use...

HTML & CSS

Hand-coding for standards compliancy & cross-browser compatibility

Javascript

Good working knowledge of basics
Integration of JQuery for various effects

PHP & MySQL

Good knowledge of basics
Integration of raw code with design

WordPress & Movable Type

Design custom templates
Integrate modules & back-end into a design

Flash & Actionscript 2.0

Solid knowledge of scripting & animation
Integration of HTML, PHP, & XML with a design

Audio & Video

Basic editing

Software

Coda, Flash, Transmit
Photoshop, Illustrator, InDesign

Languages

Basic knowledge of French & Hindi

I've learnt from...

'04 NESADSU | Boston, USA

Bachelor of Fine Arts,
Graphic Design Concentration

'98 St Xavier's College | Mumbai, India

'96 St Mary's High School | Mt. Abu, India

Assistant Editor, school newspaper,
SMS Abu Oriole
